REV. DR. SUTER'S FUNERAL.—The funeral services of the late Rev. Dr. Henderson Suter took place this morning at half-past ten o'clock, at which hour the vestrymen of Christ Church proceeded to the rectory, on north Washington street, where the remains, which were enclosed in a handsome cloth-covered casket, were placed in a hearse and escorted to Christ Church. Upon reaching the church the casket was taken in charge by the vestrymen and during the solemn tolling of the bell was carried up the aisle and deposited in front of the chancel. The chancel, galleries and other parts of the church had been draped in mourning by the ladies of the congregation. Within the chancel were Bishop Randolph, Rev. S. A. Wallis, of the Episcopal Theological Seminary, Rev. P. P. Phillips, of St. Paul's Church, Rev. W. M. Clark, of Fredericksburg, and Rev. H. F. Kloman, of Pohick Church. The church was crowded with the many friends and acquaintances of the deceased, and in the congregation were the vestrymen of St. Paul's church and most of the ministers of this city, as well as some from neighboring cities and places in this locality, and many prominent citizens of this city. The beautiful and impressive service of the Episcopal Church was read by Bishop Randolph and the clergyman within the chancel, the Bishop reading the prayer in a most affecting manner. Hymns were feelingly sung by the choir and the congregation, many of whom were moved to tears. At the conclusion of the services the casket was again placed in the hearse, and escorted by the family of the deceased and the vestrymen of the church, the solemn cortege moved toward the ferry steamer, which was boarded at half-past eleven o'clock. Rev. Messrs. Wallis and Phillips accompanied the remains to Oak Hill cemetery in Georgetown, where they were interred. Rev. Mr. Wallis committing the body to the earth. The vestrymen who acted as pallbearers were Messrs. F. S. Leadbeater, Lawrence Washington, D. N. Rust, L. M. Blackford, Hubert Sowden, G. L. Booth and Jno. Slater. Col. Arthur Herbert, having been intimately associated with Rev. Dr. Suter in the many activities connected with the Episcopal Theological Seminary, also acted as a pallbearer. The various organizations of Christ Church, consisting of the Vestry, Ladies' Sewing Society, Woman's Auxiliary, the Chapter of Praise, the Brotherhood of St. Andrew, Junior Auxiliary and King's Daughters sent beautiful floral tributes, among which were "the gates ajar," "the King's Daughters' cross," "the lyre" and others, besides a beautiful anchor from the congregation of St. Paul's Church. The offerings from members of the congregation were also exceedingly beautiful and numerous. In all the century and a quarter's history of Christ Church Rev. Dr. Suter is the second of its score of rectors to die while rector, the first and only other being Rev. Oliver Norris, who died in the summer of 1825.

ST. MARY'S CHOIR AT FREDERICKSBURG.—Probably the most impressive choir services that have ever been heard in this city were rendered at St. Mary's Catholic Church Sunday morning and afternoon by the choir from St. Mary's Church, of Alexandria. Coming as they did to do honor to Rev. Father J. J. Kenefick, who formerly had charge of their church, the choristers gave Fredericksburg a genuine treat in the way of sacred music. The personnel of the choir was as follows: Mrs. Julia Monroe, Miss Mai Greenwell, Miss Lottie Greenwell and Miss Kate Nugent, soprano; Mr. J. H. Strider and Mr. Wm. Whitcomb, tenor; Mr. Thomas Burroughs, jr., baritone; Mr. Robert Wenzel and Mr. Wm. Hoy, basso; and Mr. J. M. Monroe, organist. High mass was celebrated at 10:30 o'clock Sunday morning by Rev. J. J. Kenefick, assisted by Mr. Edward Gorman, at which Peter's mass in D was most beautifully rendered. Rosewig's mass was sung in the afternoon, and when the first notes were sounded, the capacity of the pretty little church was fairly tested by the large representations from the congregations of every church in Fredericksburg. After the introduction to the vespers, Miss Mai Greenwell's strong, clear and decidedly sweet soprano voice was heard to excellent advantage in Millard's "Ave Maria." Mrs. Julia Monroe, who possesses a voice of remarkable volume, rendered Peter's "Ave Regina," after which the full chorus was heard in Peter's "Magnificat," and Millard's "O Salutaris." The final number was "Tantum Ergo," and its rendition convinced us all the more, that St. Mary's Church, of Alexandria, has two remarkable sopranos in Mrs. Monroe and Miss Greenwell.—Fredericksburg Lanes.

THE STAR SAYS.—The services at St. Mary's Catholic Church Sunday were invested with new and attractive features by the presence of the choir of St. Mary's, of Alexandria, who took entire charge for the day of the music and singing, which they rendered with an excellence and beauty that delighted the large audiences, both morning and evening. At the morning service Peter's mass in D was sung, followed by a brief discourse by Father Kenefick, who has recently been assigned to this charge. The discourse was based on that portion of the gospel for the day, and was delivered with a grace and fervor which gave promise of a brilliant future for this young priest, for whose complete restoration to health and strength our whole community join their prayers to the faithful of his congregation. At the evening service, or vespers, the church was crowded, including nearly every musician and singer of the city, so that the musical and vocal part of the service were not only appreciated, but enjoyed by all. The well-trained and melodious voice of Mrs. Monroe, with its full, clear and sustained notes, imparted a new charm to the sweet and reverent music of the vespers, which will long remain in the memory of all who were so fortunate as to hear her.

ACCIDENTS AT ST. ASAPH.—The racing at St. Asaph yesterday was replete with accidents, but fortunately none of them resulted seriously. In the first race Zamacraw stumbled in the stretch and threw his jockey, Leland, while Duke of Gloucester finished with a broken girth. In the second race both Higbie and Lady Watson fell, and in the fifth Leporello's bridle came off and so did his jockey. The horse raced around the track, jumped fences and cut all sorts of capers before he was finally caught. Leland, who rode Zamacraw in the first, and Bender, who had the mount on Higbie in the second race, were both injured. The fall rendered Bender unconscious for a few minutes, but it was discovered afterwards that he was badly shaken up, and his upper lip was cut, but no bones were broken. He was taken to his home in Washington. Leland broke his collar bone and one of his ribs. The injured boys were attended by Drs. O'Brien and Ashby of this city.

POLICE COURT.—Justice Thompson presiding. The following cases were disposed of this morning: First, Harry Davis, colored, arrested by Officer Wilkinson for assaulting Doc Baltimore, colored, was fined \$5, or given 60 days on the chain gang.

Alberta Bartin and Eugene Scott, white, and Joseph Morgan, colored, arrested by Officers Howson, and Atkinson charged with disorderly conduct and with insulting ladies on the street, were fined \$5 each.

Samuel Dudley, colored, arrested on suspicion of stealing a hide, was held. Champ Carter, colored, charged with assaulting a colored woman, was dismissed.

Several persons charged with keeping unlicensed dogs were last night fined \$1 each.

NIGHT REPORT.—Last night was clear and mild. Five prisoners were at the station house.

COUNTY COURT.—Judge Chichester was in the city yesterday and held a short term of the County Court, at which the following business was transacted: Margaret Alexander was appointed administratrix of the estate of Eliza Groves, deceased.

W. A. & Mt. V. E. R. vs. Jas. Coleman, report of commissioners appointed to assess land damages confirmed.

Karl Cussler, a native of Germany, was naturalized a citizen of the United States.

Robert Walker was appointed supervisor of poor for the county.

Geo. K. Rowe, of Arlington district, and Richard Summers, of Jefferson district, were appointed special policemen.

W. F. Mahedy, Edward Duterman, Jas. Action, Geo. W. Saulsbury, C. H. Wibert and J. E. Birch qualified as special policemen.

A GROWING CITY.—Alexandria, the city of Virginia that is in such close proximity to the nation's capital, is thriving, and from all accounts it is going right ahead. New enterprises are springing up, and the population is increasing steadily. It is a healthy increase, too, and shows that Alexandria means to keep up with the procession. In addition to the general and long established business of the city there were started within a comparatively short period two new factories—a glass factory and a shoe factory—and they were operated during the long dull season from which the country recently recovered. Alexandria has a population of at least 20,000, and the city is more prosperous than at any time within the past ten years. Her good people are her chief attraction. Anybody who says that Alexandria is not right in the midst of the better times is badly mistaken.—Washington News.

CHARGED WITH INSULTING LADIES.—Last night Albert Bartin and Eugene Scott, white, and Joseph Morgan, colored, the crew of a vessel lying at one of the wharves, came uptown in quest of adventures. In the pocket of one was a quart bottle of whisky. They started for the Whitechapel district in the northeast, but became confused in their bearings, and brought up on north Fairfax street, a short distance from the station house, where they became offensive to some ladies who were in the neighborhood, taking hold of the arm of one of them. The ladies indignantly talked caused the trio to become alarmed and they scattered, but a few minutes later Officers Atkinson and Howson had them in charge. This morning in the Police Court they were fined \$7 each.

VESTRY MEETING.—A meeting of the vestry of Christ Church was held yesterday evening, Mr. E. S. Leadbeater in the chair, at which suitable action was taken regarding the death of the beloved rector of that church, Rev. Henderson Suter. A committee, consisting of the two wardens, Messrs. E. S. Leadbeater and W. A. Smoot and Mr. L. M. Blackford, was appointed to prepare a suitable tribute to the memory of Dr. Suter, and their report was adopted, ordered to be spread upon the minutes, a copy sent to the family of the deceased and also printed in the GAZETTE and Southern Churchman. The vestry also ordered a handsome floral offering to be placed upon the casket at the funeral and requested the ladies of the congregation to drape the church in mourning.

As the Columbia fire engine was coming from the fire yesterday the boxes in the hubs of the front wheels were damaged and the engine came near breaking the axle. The apparatus is now out of service owing to the accident and will go to the shop for repairs.

Mrs. W. G. Davenport, the wife of a well-known Alexandria minister, has established a Children's Country Home at Colonial Beach, a place where the waifs and poor people of Washington, by little or no expense, can secure an outing for the benefit of their health.
